MEMORANDUM FOR THE ADMINISTRATIVE OFFICER

SUBJECT: Discontinuance of Filing of Films

I was notified by [redacted], Chief of the Management Branch, by telephone on 12 January 1948 that after careful consideration it had been decided that FBI would discontinue the filing of films, which we are now doing in [redacted] shop.

I suggested that we would still need at least two members of that section in order to continue other necessary filing. He informed me that he would direct a memorandum which would instruct us to discontinue sending films in from the field or from saving them at field installations, and that he would further authorize two additional positions, one at CAP-5 and one at CAP-3, to do the necessary filing. Of course the final determination of these grades is a classification problem.
